Join us Thursday for a
FREE workshop about:
ARCHITECTURE
& the Popular JS Frameworks
used in Ruby on Rails

Speakers:

Anna Mendoza & Aviva Sterns

Will go over the fundamentals of OOP,
and the architecture of Rails: MVC

Evan Dorn, Phd of LRD

Evan will compare the architecture
of two popular Javascript MV*
frameworks:

Ember.js and Angular.js

and discuss how to pick the one
most appropriate for your project
and your coding style
